PUBLIC MEETING: two issues were raised.

- (1) Traffic diversions during works to the A466. Two members of the public requested that TUCC support their appeal to MCC to add extra road signage at Botany Bay, to indicate that the road to Catbrook is “residents only”. Closures of the A466 are scheduled for both March and June. On previous occasions drivers have turned through Catbrook rather than following the diversion route via Whitestone.
- (2) Trellech Village Green. Members of three of the households fronting onto Trellech Village Green provided historical pictures and information about the Green in support of their opinion that the space had traditionally not been used for recreation. They said that the area had always been used for parking, whether by horses and carts or motor vehicles. It had never been grassed over. The only reason it had been registered as a village green was to prevent the then landlord of The Crown claiming it as his private parking space. Currently the space is regularly used by the post man and by delivery vans serving houses on the other side of the road, as well as those directly fronting the Green. The main road is very narrow with a blind bend close by, so parking of delivery vehicles on the road would be very dangerous. No-one in the Trellech community had requested that the Green be available for recreational purposes, as other more suitable areas were available. They recognised that parking is legally not allowed on a registered village green, and therefore requested that TUCC consider rescinding the status of the Green.

20023. APOLOGIES FOR ABSENCE: Cllrs G Bowden, C Edwards and L Stoter

20024. DECLARATIONS OF INTEREST: Cllr Poulter – item 20040, as his home adjoins Trellech Village Green. Cllr Poulter contributed information under the Public Meeting on the topic, but took no part in the discussion of this item by the council.

20025. REPORT FROM COUNTY COUNCILLOR DEBBY BLAKEBROUGH: None

20026. MINUTES OF THE MEETING HELD ON 20 January: agreed and signed as a true record.

20027. MATTERS ARISING FROM PREVIOUS MINUTES

Item 20005, 19228: Training Session on Planning

Nothing further had been heard from Monmouth Town Council about the course on “Responding to planning applications”, due to be held on Monday 9 March, 6-9 pm. This date fell before the next TUCC

meeting; but TUCC's budget for training still had ample funds for any councillor who wished to attend the course.

Item 20005, 19241, 19233: Forthcoming road works on A466

MCC's engineer, Ian Brain, had given the following details: the road closure order runs from 16 March to 9 April 2020. Works at Bigsweir were planned for 16 to 19 March; works at Tintern Station to Catchmays Court were planned for 19 March to 3 April. Dates might vary if weather conditions were unfavourable.

Item 20018: Merlin Waste collections

From 1st April 2020 the price of collections will increase by 15p to £3.90 per bin. This will increase the monthly bill for TUCC from £97.50 to £101.40. Merlin now offers an emergency call out service of £10 per bin if they become full before the normal collection date.

20032. INSURANCE POLICY RENEWAL

It was noted that TUCC had committed to a 3-year long-term agreement with Zurich Insurance in 2019 (minute 19035). This could be extended for a further two years at any point, retaining the same premium.

20033. ONE VOICE WALES MEMBERSHIP

It was resolved to renew TUCC's membership of One Voice Wales.

20034. ACCOUNTS FOR PAYMENT

Current bank balance (less uncashed cheques): £56,945.09.

The comparison between the 2019/20 budget and expenditure to date was noted.

The following accounts were presented and payment agreed.

300193	MCC, summer playscheme 2019	£450.00

300196	Llandogo VH, hire 17 Feb	£18.00

Clerk

20035. GRANT APPLICATION FOR CATBROOK MEMORIAL HALL

It was resolved to make a grant of £776.15, representing half the cost of replacement light weight GoPak tables for the hall.

20036. COMMUNITY BOUNDARY REVIEW

The Minister at WAG had now signed off the alterations to community council boundaries, despite the fact that MCC had promised another round of consultation that never happened. One Voice Wales wished to find out how many councils wanted to challenge the decision, given the flaw in process.

The review will affect TUCC: Trellech Grange will move into TUCC from Tintern CC; Far Hill will be incorporated into the Trellech ward rather than Llanishen ward; and Llandogo will be removed from TUCC to be incorporated into a new Wye Valley Community Council including Tintern and St Arvans community councils. The first two of these changes had the support of TUCC, while the loss of Llandogo did not.

It was resolved to recommend that One Voice Wales should request a further review.

Clerk

20037. WEBSITE AND DDA COMPLIANCE

The current TUCC website does not comply with new legislation. The SLCC had negotiated a special deal for council websites at £700 + VAT; the current provider, Vision ICT, had offered to overhaul the website to make it fully compliant, and better suited to use on mobile phones, for £650 + VAT.

It was resolved to ask VisionICT to produce a compliant website.

Clerk

Any specific suggestions for improvements to the website should be sent to the clerk before the March meeting. This will be on the next agenda.

All councillors

20038. MEETING DATES AND VENUES FOR 2020/21

20039. NOTICE BOARDS

Councillors reported a need for new or replacement notice boards next to the village halls in Llandogo and Llanishen. Local councillors will check with the village hall committees on their preferred type of board. Possible costs and designs to be considered at the next TUCC meeting.

Clerk, GW, LP

The existing boards in Whitebrook, New Mills, Penallt, Catbrook & Trellech are not in urgent need of replacement. The information on the Trellech map board does need updating. Cllr Poulter will investigate the options.

AP

20040. PARKING ON TRELLECH VILLAGE GREEN

This item was dealt with at the beginning of the meeting, prior to item 20027.

Councillors recognised that this area in Trellech became a Village Green by default, to solve a problem at the time, and to prevent it falling into private ownership. Councillors also felt that it was wrong to turn a blind

eye to regular parking on the Green, as this had implications for other Greens within the TUCC area. **It was resolved** to seek further legal advice about the process and implications of de-registering the Village Green.

Pending this advice no action should be taken to prevent parking on Trellech Village Green. A further letter should be sent to residents adjoining the Green, confirming that TUCC would take no immediate action and that TUCC was awaiting further legal advice on the possibility of de-registering the Green.

Clerk

20041. BABINGTON MEADOW

The recent scheduled meeting was cancelled. An Easter Egg hunt will be held as in previous years.

20042. ANY OTHER REPORTS

- The AONB's River Festival in 2020 will include an event in Llandogo on 16 May. There will be a public meeting in Llandogo Village Hall on Thursday, 27 February, to plan the event and to discuss a fitting tribute to Roger Brown.
- It was noted that the clerk will be unable to attend meetings for several months, following a hip replacement on 17 April. This will not prevent her from other duties, including preparation of agendas and draft minutes. Cllr Parker will take minutes at the meetings that the clerk misses.
- Annual dinner. Cllr Blakebrough had circulated possible menus from The Fountain Inn. Councillors chose to use the £19.95 menu. Each councillor will let Cllr Blakebrough know if they and/or partner can attend and their menu choices.

All cllrs

- Climate champions meeting in Abergavenny was attended by Cllr Decker-Thomas. Mark Hand was scheduled to attend but did not arrive. She noted that MCC was committed to planting trees but had difficulty in finding suitable locations. If councillors could identify "spare" corners of land then the Woodland Trust will advise on suitable varieties and supply trees.

All cllrs

- Catbrook Community Orchard: an inaugural meeting will be held in March
- Llanishen Garage has been bought by ASC Phillips, and is due to open to the public for vehicle repairs next month.
